How can we provide quality cards, do all the work, including mailing, and still have it be no more expensive than if you buy cheaper cards and do it yourself?

The enclosed samples are cards we've done for other parishes in the past. It's easy to see that our quality is second to none! But that quality, and our price per card, doesn't mean we are more expensive.

Don't be fooled into thinking that cheaper cards are "cheap." Buying cheap cards and doing it yourself to save money will prove more expensive in the long run: hidden expenses like mailing labels; return address labels; ink; taking the time to fold, stuff and seal hundreds – or thousands – of cards, plus adding the postage and mailing them yourself is both expensive and a lot of work. Our cost, though, is reduced by getting you dramatic postage savings AND it includes doing all the work for you. Plus with our cards you get quality, while quality is the one area where cheap cards really are cheap.

We save you postage, time, and energy. The key is the postage savings. You provide us with your mailing list and we run the postal service certifications that allow us to get you the absolute lowest possible postage rates. Then we fold the cards, stuff and seal the envelopes, and inkjet the names on them - and you don't have to lift a finger!

To give you a sense of the actual postage savings, consider these differences in a 2,000-piece mailing:

- At regular first class rates: \$980 just for postage.
- A non-profit bulk mailing you did yourself probably wouldn't be less than about 29¢ each or \$580 postage.
- Our presorted non-profit bulk mail rates: about \$230.
- That's \$750 in postage savings vs. a First Class mailing and directly reduces the overall price of our cards.

We've been serving parishes for 20 years.

IT'S EASY. HERE'S ALL YOU HAVE TO DO:

- 1) Provide your parish photo to us or select from one of our images to be used as your cover art
- 2) Provide your Advent schedule
- 3) Select or write your verse and message
- 4) Provide your mailing list – and tell us when you want the card in your parishioners' hands

THAT'S IT – WE DO EVERYTHING ELSE!

Here's the complete info: The cards are \$1.05 each – that's 35% below our normal pricing. Everything else noted on the front is FREE, with two exceptions: while we provide the envelopes for free, there is a very reasonable charge for imprinting them with your name and logo. And we charge for our mailing service – but more than offset this expense too with postage savings. So you come out ahead – and don't have to do any of the work!

We can assure you from experience that you will hear many grateful comments from your parishioners after they receive your parish Christmas card mailing. We will provide excellent value, first class service, and a top quality product, because we want to serve you for many years to come!
